

Discover Your Purpose

What are my **strengths**?

What do I **love** to do?

What does **my ideal world** look like?

Think about a world that I would want to help create or shape; who do I care about in this world?

Now, construct this statement:

I choose to use **(2-3 strengths)** to **(2-3 loves)**, and create **(my ideal world)**.

What is my **impact**? What **legacy** will I create?
